

You are Lord

**You died for me,
To set me free
You paid the price
that I deserved
You've shown me love,
A servant heart
A life lived
in accordance with God's will**

**A life that's not
filled with conceit
A life that's unified with Christ ,
You've shown me Lord,
That I can be,
Pure and blameless
in Your sight**

You are Lord

***For He has risen
He's triumphed and He's won
He humbled Himself
So we could be one
I'll never know
The pain that was Yours
But my tongue confess
That You are Lord***

**The perfect example
of what we should be
You're humble, a servant to me
You emptied Yourself
And God became flesh
My God in the likeness of man**

**And now I look
on Your marvellous light,
On Your name
that is above all names,
You're highly exalted,
A king in His place,
And everything under Your reign**

You are Lord

***For He has risen
He's triumphed and He's won
He humbled Himself
So we could be one
I'll never know
The pain that was Yours
But my tongue confess
That You are Lord***

***For He has risen
He's triumphed and He's won
He humbled Himself
So we could be one
I'll never know
The pain that was Yours
But my tongue confess
that You are Lord***

***And my tongue confess
That You are Lord***
