

# May my life offer praise

*Written by Jeff McCain – 2003*

D A G A D A G

D A G D  
Light of the world, Joy of my heart

G D G A  
How I long for a song to send you my praise

D A G D  
Shepherd and Lord, Eternal Word

G D G A  
Now I see there can be a song from my life

G A F#/Gbm Bm  
As the lamb that follows the shepherd's voice

G A D  
As the servant hears and obeys

G A F#/Gbm Bm  
As the child that trusts in the Father's word

G A D A G D A D A G  
So may my life offer praise.

D A G D  
Prophet and priest, Savior and King

G D G A  
How I yearn for a hymn to send you my praise

D A G D  
Bridegroom and Lamb, Gift unto man

G D G A  
Now I see there can be a hymn from my life

G A F#/Gbm Bm  
As the bride that speaks of her coming groom

G A D  
As the pardoned emulates grace

G A F#/Gbm Bm  
As the thankful heart gives to those in need

G A D A G D A D A G  
So may my life offer praise.
