

FOREVER MY LOVE

E
The nails in Your hands
C#m
The nails in Your feet
A B
They tell me how much You love me
E
The thorns on Your brow
C#m
They tell me how
A B
You bore so much pain to love me
G#m A
And when the heavens pass away
G#m A
All Your scars will still remain
G#m C#m
And forever they will say
B F#m
Just how much You love me
B
So I want to say

E	C#m
Forever my love,	forever my heart
A	B
Forever my life is Yours	
E	C#m
Forever my love,	forever my heart
A	B
Forever my life is Yours...
