

DEPEND ON YOU

D Bm  
I don't mind saying I'm a person who  
G D  
Really needs to learn to depend on You  
Bm  
My eyes are red, my heart is black and blue  
G A  
From neglecting to depend on You

D G  
So every morning, I'll depend on You  
D G  
In the midday I'll depend on You  
D A  
When the evening sun is setting  
Bm G  
And the day is through  
D A D  
I'll depend on You

I'm often in a melancholy mood  
And I've forgotten to  
Depend on You  
I have to rearrange my attitude  
Into someone who depends on You
