

ABOVE ALL ELSE

GALVIN SNG (JANUARY 2003)

^D
How wide is Your great ^{Bm}love
That You would come and die for me ^G

The Lamb that's been given
^{Em}So I may come ^Areceive

Your grace it overflows
Your mercy fills me in my soul
Such a wonderful Saviour
Who knows me like my own

^C
What a privilege for me to come depend ^{Bm}
on a ^CGod who calls me by my name, my ^Afriend

*^D
Above all else
^{Bm}
I want to love You like You do*

*^G
Lord I will worship like I should
^{Em} I will give my all to ^AYou*

*Above all else
I want to live my life each day
Pleasing in every single way
Jesus I will offer up my all to You*

There're times when I would fall
When I can't seem to hear You call
But I know that You're here Lord
You'll never let me go

You'll always stand by me
For who I am and used to be
Don't deserve any of these
The things You freely give
