**A D Bm E**

All of me every day  
Victories I don't regret

**A D Bm E**

All I do and all I say  
Failures that I can't forget

**F#m E Bm E A**

Every breath is Yours; take all of me  
I count it loss to give You all of me

**A D Bm E A D Bm E**

All my cares, all my needs Every hope and every dream  
All I see, all I can't All that I don't understand

**F#m E Bm E A**

Every step is Yours; take all of me  
I am in Your hands; take all of me

**A Bm D E**

Take my hands, take my feet; they are servants for Your kingdom

**A Bm D E**

Take my lips; let me speak with the power of salvation

**A Bm D E**

Change my mind; change my will—in a holy transformation

**Bm C#m D**

Take all of me
