

# The Testimony Song

Bridget Willard 6/16/99

(Luke 15)

I was lost but now I'm found  
 I was the lost coin that You looked for in the house  
 I was wandering in this world  
 Then You said, "Rejoice with Me. I found my sheep."

Ch: I am found And I'm restored

I have Your righteousness  
 And I call You Lord  
 You ran for me when I turned to You  
 I heard you say, I love you

Bridge: I know there's joy In heaven above  
 For just one who comes to You
