## VERSE 1:

**G** **D/F#**  
My mind and flesh may fail  
**Em**  
But You are my strength  
**C** **D** **G**  
Guiding me through this storm  
**D/F#**  
As waves keep crashing down  
**Em**  
I will have no fear  
**C** **D**  
Your word brings life

**Em** **C**  
Every breath be for You God  
**(4x)**

## PRE-CHORUS

**C** **D**  
I offer all I have to give  
**Em/C** **D** **G**  
A debt of love because You gave it all

## CHORUS:

**G** **Em**  
One thing I ask  
**D**  
One thing I seek  
**C**  
That I may draw near  
**G/B**  
Bow down at Your feet  
**D/F#**  
For the rest of my days  
**Em**  
It's all for Your name  
**C**  
And all to the King  
**C** **...G**  
Who gave everything

## VERSE 2:

My life is in Your hands  
You know the greater plan  
More than I can see  
And even when I'm weak  
You are all I need  
You rescued me

## BRIDGE:

**G**  
Every thought be pleasing  
**D/F#**  
Every word be lifting
