Bb Dm Eb Eb/F F7  
Verse 1: I have no words to write the songs of praise I feel

Bb Dm Eb F7  
My human words cannot convey, cannot reveal

Gm Dm  
How great the mystery of Your name

Eb D Gm  
And yet I know I must proclaim

Eb/F F7 Bb  
The glory due the King of Kings

Chorus:

Eb  
Hallelujah,  
Bb  
Hallelujah,  
Eb  
Hallelujah,  
F7 Bb  
Hallelujah

Verse 2: Throughout the years  
We've tried to glorify Your name  
With lofty melodies  
We lift up our refrain  
But in our words we see a need  
So Holy Spirit intercede  
To glorify the King of Kings

Verse 3: The Comforter will go for us before the throne  
And with the angels make the praise or our hearts known  
He knows the one that's called I Am  
And pleads for us within His plan  
So let us praise the King of Kings.
