There is no God like You O Lord There's no one
 who compares to You No one is faithful like You O Lord
 There's no God who compares with You Your love is
 wider Much deeper Greater and
 higher Your love is stronger So holy
 Truthful and so faithful faithful

Verse 2

No-one can save like You O Lord
 There's no-one else who gave His life
 No-one loves me like You O Lord
 There's no-one cares for me like You

Verse 3

No-one can keep like You O Lord
 No safer place than in Your hands
 No-one guides me like You O Lord
 No-one makes promises like You
