

THE DAY THAT LOVE DIED

He carried a cross for our shame all the way,
As he poured out His love, all alone that sad day.
His life was an offering, for our sin he was tried.
But our lives were set free on the day that love died.

CHORUS:

The day that love died gave us new life for old.
A spotless lamb, as the scriptures foretold,
Was offered for us to wash sin away,
God's promise fulfilled when love died that day.

He took all our pain and our guilt on the wood,
and he washed them away as only he could.
Our chains were now broken, and to his name we cried,
For our lives were set free on the day that love died.
