

# Chains are gone

Wayne Rogers

Intro:    **C**            **E<sup>m7</sup>**            **D**        **D**        x4  
             // // //    // // //    // // //    // // //

**C**            **G**        **D**                    **E<sup>m7</sup>**  
I don't deserve,    I could never earn  
**C**            **G**                            **D**  
Everything You've done for me  
**C**                    **G**                    **D**        **E<sup>m7</sup>**  
You turned the blackest night,    of this hopeless life  
**C**            **G**                    **D**  
                  Into a sunny day

**C**    **G**                    **D**  
Your love    has set me free  
**C**                    **G**                    **E<sup>m7</sup>**        **D**  
              I don't have to understand it,    to believe that Your  
**C**    **G**                    **D**  
              grace    is there for me  
**C**                    **G**                    **D**                    **C**        **E<sup>m7</sup>**                    **D**        **D**        x2  
              The chains are gone, I am free , I am free    // // //    // // //    // // //

**C**            **G**        **D**                    **E<sup>m7</sup>**  
I can't explain,    all that has happened  
**C**    **G**                            **D**  
              All I know is now I can dance  
**C**    **G**                    **D**        **E<sup>m7</sup>**  
              All that was,    is no longer  
**C**    **G**                    **D**  
              Everything is new again
