

## REST IN ME

F2 Bb Dm C  
F2 Bb Dm C

F C Bb F  
I see the sparrow fall from the sky  
F C Bb C  
These little creatures cannot escape my eye  
Bb C F C/E Dm  
You are more precious than these creatures of the air  
Gm7 F/A Bb Csus C  
So tell me then, why would you doubt my tender love and care?

## CHORUS

F2 Bb Dm C  
Rest in me  
F2 Bb Dm C  
Rest in me  
Gm7 F/A Bb Gm7 F/A Bb  
I am your father, you're my precious child  
Bb C Dm Csus C  
Be still before me, wait on me a while  
F2 Bb Dm C  
And rest in me

(repeat chorus)

My thoughts about you outnumber grains of sand  
I hold you safely in the hollow of my hand  
I have even numbered the hairs upon your head  
And sent my son to love you with the precious blood he shed

## BRIDGE

Bb Bbm F Dm  
In quietness and rest will be your strength  
Gm7 F/A Bb Csus C  
If you will just be still, won't you let me come and fill your anxious heart
