

Even More (2002)

Can I know You even more
Can I know You even more
I just want to know you
 my heart is longing deeply to
Know You even more

Can it be that I could know
 The One who made reality
Oh, can it be that I could know
 The One who crafted me
What could ever hold Your deepness
 Yet you run
 To meet me

Can I love You even more...
Can I trust You even more...
Can I see You even more...
etc...

And I pray that we would all together know His power
So that we might grasp how wide and long,
 how high and deep is His love
This love that's greater than anything that we could ever know
And I pray we would be filled with all the fullness of God
