

*P&W chorus version - single verse
[for 3 verse song version, see the leadsheet]*

~ Feel The Peace ~

[Haggai 2:4-9]

In, your life, keep the **love** of God alive,
Share, your **joy**, in the **peace**, that you own;
Show, these things, in the life you live, each
day,
And above all the world - you will rise!

Feel the peace - of the Lord,
... in the wind - and the rain,
Feel the peace - of the Lord,
... in your trials and your pain,
Feel the peace - of the Lord,
... filling you - head to toe,
Feel the peace - of the Lord,
... as you reap, as you sow!

[repeat several times]
