

# **Baptized in His Name**

For Danika

**Jesus places his name upon you  
And washes away all your sins  
By water and Spirit He comes now to you  
To make his dwelling within  
You are his treasure, his child, his love  
The Shepherd cares for his lamb  
Safe in his arms, he will carry you  
Saying "Where'er you may be, there I am."**

**May the Lord bless you and give you his peace  
Your sins he forgive and your faith he increase  
In the name of the Father, In the name of the Son  
In the name of the Spirit, The Holy Three in One  
You are baptized in His name**

**Claimed by the Father, clothed with the Son  
Cleansed by the Spirit of love  
The blessings of heaven are poured out on you  
As your born again from above  
Abraham, David, Rebekeh and Ruth  
Moses and Mary and John  
This is your family, the body of Christ  
from today, all your life, ever on**

**And as I look at your life ahead  
one thing I pray, that everyday  
by the Spirit, you'll be led**

**Until the day when He calls you home  
to take your place 'round the throne**

**For the Lord will bless you and give you his peace  
Your sins he forgive and your faith he increase  
In the name of the Father, In the name of the Son  
In the name of the Spirit, The Holy Three in One  
You are baptized in His name
