Chorus:

**Put a fire in my heart,
A burning fire way down in my soul;
A fire to give me power,
Power of the Holy Ghost.**

**Put a fire in my heart,
A burning fire way down in my bones;
A fire to make me stronger,
Stronger in the Holy Ghost.**

Fire! Fire! Fire! Fire!

Verse 1:

**Give to me a power charge
That will not be restrained,
Light me up with holy fire
That cannot be contained;**

**Open me and pack me up
With holy *dunamas*,
Turn me loose upon the world.
Make me dangerous.**

Verse 2:

**Fuel me with the Holy Ghost
And Your anointing oil,
Load me with Your precious Word
And set my tongue afire;**

**Teach me wisdom, give me strength
To endure the fight;
Point me at the enemy
And let's light up the night.**
