*Verse 1:*

**You give us shining armor,  
You teach our hands to fight;  
You lead us to the battle,  
Clothe us with power and might.**

**We magnify Your name, Almighty God.  
We glorify Your name, Most Holy One.  
We magnify Your name, Almighty God.  
We glorify Your name, Most Holy One.**

*Chorus:*

**Magnify, glorify, praise Your name!  
Magnify, glorify, praise Your name!  
Magnify, glorify, praise Your name!  
Magnify, glorify, praise Your name!**

*Verse 2:*

**You are the white horse rider  
Charging with fiery eyes;  
Darkness must flee before You,  
You have all power and might.**

**We magnify Your name, Almighty God.  
We glorify Your name, Most Holy One.  
We magnify Your name, Almighty God.  
We glorify Your name, Most Holy One.**

*Chorus*
