

**THE HARVEST IS READY but workers are few,
It's time now for reaping, there's no time to lose,
To show Christ's compassion wherever you are,
Proclaim His salvation to lands near and far.**

*Go! Go! Go!
Make disciples of all nations,
Show, Show, Show
God in action in your lives
Grow, Grow, Grow
Build the church on Christ's foundation,
And let the world know that
Jesus is Alive!*

**The Lord of the harvest calls us to be stirred,
To feel His heart breaking for those who've not heard
His good news from heaven for lives to be saved,
To soul-starving millions whose debts He has paid**

Go! Go! Go!...

**The Spirit is moving through prayers filled with tears
For soon Christ, who's scarred, will in splendour appear
To gather His harvest with joy from each land,
His church who accomplished His final command**

Go! Go! Go!...
