

I'M FREE

(VERSE)

I'm no longer bound for He has set me free
No longer does the enemy have a hold on me
I've been delivered by the power of His blood
I'm walking in His freedom and living in His love

(CHORUS)

It is for freedom He has set me free
And who the Son sets free is free indeed

(Repeat)

For where the Spirit of the Lord is
There is freedom!

(Repeat)

(BRIDGE)

I'm free from sickness and I'm free from pain
I've been healed in Jesus' name

I'm free from worry and I'm free from doubt

For I know that He will bring me out

I'm free from the spirit of poverty

For my God will provide for me

I'm free from the sin that once held me bound

So I'll praise the Lord and shout it loud

I'm free! I'm free! *(Repeat)*
