Verse 1:

**I'm already free, free as an eagle in the sky,
Free as a mountain stream,
Free to worship God Most High.**

Chorus:

**I'm already free, free to be all that I can be,
Free to give praise unto my King
Free to be free, to be free, to be free,
I'm already free, already free, already free**

Verse 2:

**I'm already free, free as a lion in the field,
Free as a summer breeze,
Free to do my Father's will.**

Chorus

Bridge:

**Who the Son sets free is free
To live a life of destiny;
Called to live, Called to love,
Called to worship the One True God.**

Verse 3:

**I'm already free, free as man was born to be,
Free as the stars are free,
Free to be free eternally.**

Chorus
