Verse 1:

**This is a house where God is known;
Upon our praise He makes His throne.
The Lord is in this place
Shining on the faces of His people.**

Verse 2:

**We honor Him with hands upraised
And sing to Him sweet songs of praise.
As we look upon His face,
We tell of all the glory we behold, we behold.**

Bridge:

**We behold His eyes, flames of fire
Burning through the shadows of our souls;
We behold His voice, waves of thunder
Calling us to fellowship,
Calling us to be with Him alone.**

Verse 3:

**The Lord is here for fellowship.
As we draw near, His glory manifests.
The Lord is in this house, (The Lord is in this house)
The Lord is in this house, (The Lord is in this house)
The Lord is in this house
And we give Him honor and praise,
Honor and praise,
Honor and praise,
Honor and praise.**
