You give me perfect peace, Master of my heart,**

**Master of my heart,  
Master of my heart.**

*Verse 2:*

**When I am in need, You are never far;  
Your presence comforts me Master of my heart,**

**Master of my heart,  
Master of my heart.**

*Verse 3:*

**I want to know You more, Master of my heart.  
My life's an open door, Master of my heart,**

**Master of my heart,  
Master of my heart.**
