

WE ARE NOT ASHAMED

By Mike Miller

[chorus]

We are not ashamed
To speak your name
And spread your fame
For you are worthy to receive our praise
We will lift our voice
We will make a joyful noise
For you are worthy to receive our praise
We are not ashamed

[verse 1]

We're gonna dance
Out in the streets
Wearing your grace
For the world to see
We're gonna sing
Praise to our king
We're gonna shout
Before the rocks cry out

[verse 2]

We're gonna speak
Strength to the weak
Filled with your power
We can do all things
We're gonna pray
Spirit be free
The crippled will walk
And the blind will see
