

WORTHY

(CHORUS)

Worthy of all the praise
Worthy of all the honor
You deserve all the glory
Lord, I give You my highest praise

(VERSE)

Lord, I don't deserve
All that You've done for me
While I was yet a sinner
You died on Calvary
Then You rose from the grave
And You paid the debt
That I could never pay
It's because of Your love
And Your saving grace
That I just want to say (You are...)

(BRIDGE)

Worthy, You are worthy of praise
Worthy, You are worthy of honor
Worthy, You deserve all the glory
Worthy; Lord, I give You my praise
