

More than a Conqueror

No I'm not some poor old lucked-out loser
I am more, more than a conqueror
No I'm not only halfway there
I am more, more than a conqueror

CHORUS:

This is the reason why
Jesus came and died
And Jesus is the biggest winner ever

So if I believe in Him
Trust Him to get me through
I am more, more, more than a conqueror
I am more, more, more than a conqueror

No I won't be giving up in this race
I am more, more than a conqueror
Now there is no trial that I can't face
I am more, more than a conqueror

CHORUS

In myself I might be weak as water
But with God I'm more than a conqueror
In myself I often fail and flounder
But with God I'm more than a conqueror

CHORUS:

This is the reason why
Jesus came and died
And Jesus is the biggest winner ever

So if I believe in Him
Trust Him to get me through
I am more, more, more than a conqueror
I am more, more, more than a conqueror
