

God is my Father

God is my Father
He loves me so
God is my Father
He knows where I go
God is my Father
I am His child
God is my Father
My place to hide

God is my Saviour
He died for me
God is my Saviour
From sin set me free
God is my Saviour
I am His own
God is my Saviour
And I will follow

God is my Helper
By day and by night
God is my Helper
To fight the good fight
God is my Helper
I am His friend
God is my Helper
Right to the end
