## VERSE

In the wilderness a river shall burst forth  
And God will make the hungry to live there  
In the wilderness a voice is crying out  
Prepare the way for God to dwell

## CHORUS

Make a highway, prepare the city  
Open your heart for God to dwell  
Make a highway, prepare the city  
Open your heart for God to dwell  
In the wilderness  
Make a way, make a place  
For God to dwell

## BRIDGE

Don't pass us by (echo)  
We recognize (echo)  
The visitation of the Lord  
*(twice)*

Don't pass us by, we recognize  
Don't pass us by, we recognize  
Don't pass us by, we recognize  
The visitation of the Lord
