

Mum and my Dad

My Mum's great
And Mum's my mate
She does so many many things for me

God made my Mum
To honour and love
I'm sorry I don't always do as you say

But I love you Mum
And before anyone
You can be my mother any day
Yeah you can be my mother any day

My Dad's great
And Dad's my mate
He does so many many things for me

God made my Dad
To honour and love
I'm sorry I don't always do as you say

But I love you Dad
And I'm really glad
You can be my father any day
Yeah you can be my father any day

You can be my Mum and you can be my Dad
You can be my Mum and you can be my Dad
You can be my parents any day.
