INTRO:

**G D/F# Em C (2x)**

VERSE 1:

**G**  
What if my love was loud  
**D/F#**  
Sharing this joy I've found  
**Em C**  
Could hearts refrain from giving praise?  
**G**  
What if I followed You  
**D/F#**  
Knowing You'd see me through  
**Em C**  
Would I have anything to fear?

PRE CHORUS:

**D G/B C**  
Cause there must be more than this  
**D G/B C**  
Yes there's something more than this

CHORUS:

**G D/F#**  
Help me to stand, help me be real  
**Em C**  
Help me to feel the wounds You feel  
**G**  
What would it take for this heart  
**D/F# C**  
to break for You?  
**G D/F#**  
I'm longing to be, I'm willing to find  
**Em C**  
Deeper meaning in this life  
**G D/F#**  
What would it take for this heart to break?  
**C G**  
It's the mystery, of what my life could be...

(INTRO)

VERSE 2:

What if I lived like You, loving in all I do  
Would there be fewer broken hearts?  
What if I gave it all  
All that I've ever known  
Would there be something new to find?

(PRE CHORUS)

(CHORUS)

INSTRUMENTAL BREAK before 3rd VERSE:

**Em D/F# G C (2X)**

VERSE 3:

What if my pride fell down  
Releasing of this crown  
Would I reflect the grace you give?  
What if I took a stand  
Raising the flag again  
Could I be used to bring You fame?

(PRE CHORUS)
