

# DRAW US

## *Verse 1:*

Father in heaven, we come to Your throne  
Assured of Your love through Christ Jesus  
Father in heaven, how hard it must have been  
To give the world Your only Son to die for our sins

## *Chorus 1:*

And we love You  
And You love us too  
Love , Draw us closer to You

## *Verse 2:*

Jesus my Savior, You died just for me  
Intercede for me, my Lord Jesus  
Jesus my Savior, I understand the cross  
You'd have endured that bloody death if only I were lost

## *Chorus 2:*

And I love You  
And You love me too  
Love, Draw me closer to You  
Closer, closer, draw me closer to You  
Closer, closer, draw me closer to You

## *Verse 3:*

Holy Spirit, dwell in our hearts  
Teach us to love God and neighbor  
Holy Spirit, come upon the earth  
Lead men in truth and righteousness and to their rebirth

## *Chorus 3:*

And they'll love You  
And You love them too  
Love, Draw them closer to You  
Closer, closer, draw us closer to You  
Closer, closer, draw us closer to You
