

The Absolute Truth

God swore an oath never to be broken
God sent His Son, His love clearly spoken
That we can finally, forever be, forgiven
If we will just take Him at His Word

(The) Word of God, spoken in Love
You're The Promise written in blood
There's no shadow of turning in You
You are faithful, loyal, You are
The Absolute Truth

Your way is high, it is pure, not like my way
You do not change and so I trust what You say
That we can finally, forever be, forgiven
If we will just believe what we've heard

(The) Word of God, spoken in Love
You're The Promise written in blood
There's no shadow of turning in You
You are faithful, loyal, You are
The Absolute Truth

Though the heavens start shaking
The earth disappears
Though my whole world it crumbles
Your truth still is clear
Though I know I'm unfaithful
My hope still is sure
I've accepted Your Son
I take You at Your Word

The Word of God, spoken in Love
You're The Promise written in blood
There's no shadow of turning in You
You are faithful, loyal, You are -

The Word of God, spoken in Love
You're The Promise written in blood
There's no shadow of turning in You
You are faithful, loyal, You are
The absolute Truth

You are faithful, loyal, You are
The Absolute Truth
