

PEACE IN THE STORM

(Loosely based on Psalm 139)

1. Lord of our lives, You have searched us and known us;
Heard all our words and observed all our ways.
Help us to learn from the things You have shown us
That we can trust You through difficult days.

Chorus:

You bring us peace in the storm,
Joy amid confusion,
Light in the darkness and hope in despair;
So when our feelings are disabled by depression, stress or care,
Lord of all hopefulness, won't You come and meet us there?

2. Master, you formed us and crafted our being;
Made in Your image, yet spoiled now by sin -
Out in the dark. But Your eyes are all-seeing:
Touch us and hold us, and guide us back in.

Chorus:

You bring us...

3. Father, we praise You, Your mercy has found us;
Nowhere we go is remote from Your love.
Precious Your thoughts that are always around us;
Down in the depths, or in heaven above.

Chorus 2:

You've brought us peace in the storm,
Joy amid confusion,
Light in the darkness and hope in despair;
And while we listen to Your voice, Lord, You have banished all our fear.
Lord of all calm, we know You will lead us on from here.
