

You Are Always With Me *Psalm 139:1-12*

Chorus

Wherever I am You are
Wherever I go You'll be
Wherever I was You were
You're always with me
Your hand will lead me,
Your right hand will hold me
For You are always with me
You are always with me

Verse 1

You have searched me and You know me
You know when I sit and when I stand
You go before me You go behind me
On me You've laid Your hand
You know my words before I speak
You know it all and all complete
You know all that I am You know all I seek
Too great a thought to even think

Chorus

Verse 2

Where can I go? Where can I flee to?
Is there a place where You'll not be?
If I fly to the heavens take the wings of the morning
To the uttermost part of the sea
If I say darkness shall fall on me
Even the night shall be light about me
You are with me You are always with me
There is no place where You cannot be

Chorus

Bridge

And I'm never alone Thank you Lord
You are my God Lord of all
And I'm never alone
You are with me

Chorus
