

## **GIFT OF CALVARY © Michael Vondracek**

Lord we thank thee for thy bounty, and return the best to thee.  
Each according to his gifts, brought to honor thee.  
But what you gave on Calvary was the greatest gift of all.  
Speak to me, Lord help me be with you and never fall.

In your book of holy writings, a place called Deuteronomy  
Says the first fruits of our labors should be set aside for thee  
But what you gave on Calvary was the greatest gift of all

Lord be with me, and let me see the glory of it all  
Lord let me gather, the choicest gifts for thee.  
But what could they matter, compared to what you did for me  
What you did for me?

### *Instrumental break*

What you gave on Calvary was the greatest gift of all.  
Lord I feel your touch, you gave so much  
How can I repay it all?  
How can I repay it all?  
Lord I feel your touch, you gave so much  
How can I repay it all?
