

Why Not Me?

Verse 1

Why them, not me?
All the years have not resolved this mystery
I'm here and I'm still wondering
Why not me?

Verse 2

My soul yet grieves
We stood side by side and faced the enemy
They died and I can't understand
Why not me?

Bridge

The war that took my friends
Still takes my thoughts today
Inches parted life from death
And seconds did the same
Help me, oh Lord, to slay
My hurt and guilt and shame
Your grace is perfect in response
To questions that I face

Verse 3

Why them, not me?
I am weary of the battle to find peace
For now I won't ask myself
Why not me?
