♩ = 78

I am with you all your days, I num - bered them while knit - ting you in -  
side your mo - ther's womb. I know you are troubl  
- ed here, your work is hard but have no fear, I love you.  
Ne- ver give up, ne- ver give up.  
I have pre - pared a place of hon - our at my ta - ble and I'll see you there,  
when your work is done. I am with you 'cause I care and love  
you, so I'm al - ways here be - side you.  
Ne- ver give up, ne- ver give up, ne- ver give up,  
ne- ver give up. When it gets tough I'm there be -  
side you; and if it gets rough I'm right there by you.
