V2.

Let us celebrate the Spirit, full of holiness and power
 Come to glorify the Saviour witnessing to His great work
 Moving on and in our hearts drawing us towards the Lord
 Holy Spirit full of power, Hallelujah to You now.

Celebrate our sovereign God full of mercy and of love,
 Full of grace and truth and power and of holiness sublime
 You we worship, and we honour giving You our grateful thanks
 Great in being and in doing, Hallelujah to Your Name.
